

Enterprise Agreement True-Up Advisory

What if Enterprise Agreement True-Up's didn't need to be so difficult?

We do not sell software licences and are uniquely positioned to provide independent and impartial licensing advice

Key Benefits

- ✓ Peace of mind that your annual true-up reporting is complete and accurate.
- ✓ Minimise the time, effort and resources required to analyse and identify true-up requirements.
- ✓ Proactively identify and mitigate compliance risks.
- ✓ Gain a greater understanding of the terms and conditions that apply to your software usage.

Software Licensing is Complex.
We can Help...

Discover SAM specialises in Microsoft software licensing and we have been helping organisations like your own with Enterprise Agreement True-Up's since 2011.

Through our **Enterprise Agreement True-up Advisory Service**, we conduct a complete analysis of your software licence entitlements, software deployments and software usage and provide a bill-of-materials documenting any applicable licence true-up requirements and associated quantities.

Our comprehensive deliverables include;

- ✓ Effective Licence Position (ELP) Report
- ✓ True-Up Bill-of-Materials
- ✓ Server Insights Data Workbook
- ✓ Endpoint Insights Data Workbook
- ✓ User Insights Data Workbook
