✓ Training Materials.
✓ Certificate of Course Completion.

Participant Feedback:

- The best course I have ever done.
- This is the course that all organisations should be looking at if they want to take control of their Microsoft environment and get the most from their entitlements, while minimising their financial exposure.
- I would recommend this course for anyone who has Microsoft" in their daily vocabulary.
- The course was very insightful and thought provoking.
- The training was phenomenal.
- What a fantastic course!
- It really was the best course I have ever attended & I have learnt a lot
